

Wisdom Courage Respect

Newsletter 13
22nd March 2024

Dear Parents, Carers and members of our school community,

The Spring Term has been full of such wonderful learning opportunities and special events. This is the final newsletter of this term and I wish you all a relaxing Easter break. Please note, the last day in school is Thursday 28th March and children return to school on **Tuesday 16th April**.

Comic Relief – Friday 15th March

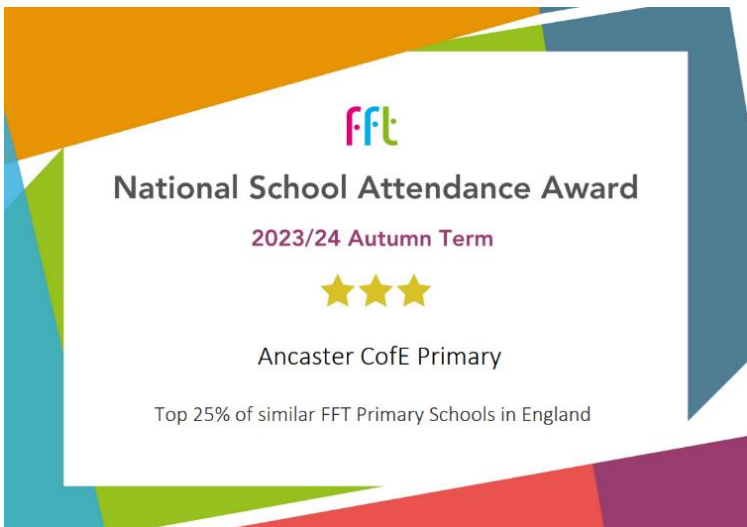

Thank you to all the families who supported our Comic Relief fundraiser. With our cash donations on the day, alongside our online donations, we have smashed our goal of £100. The children all had fun sharing their jokes in class across the day too and some even shared theirs during our celebration worship too.

Easter Service

We do hope parents will be able to join us in Church on Wednesday 27th March for our Easter Services. Due to safety in the Church, we ask for no more than 2 adults per family. Please only attend the service which your child/ren are in and ensure the main exit is not blocked as this is also the fire exit. Many thanks for your support in this matter.

Science Week

What a fabulous week we all had enjoying British Science Week 2024. The theme this year was time and the classes all enjoyed doing experiments, hosting science fairs, joining in live science week events online and sharing their learning with others. Many children also entered a competition to design a watch face and Year 6 created a time capsule which we will burying in school next term. Please see our Facebook page for photographs of the event. Many thanks to Miss Rogers for organising such an inspiring week and to the PTFA for supporting us with prizes and resources.

Attendance

Our attendance in the Autumn Term sat at just over 97% which is a wonderful achievement. This has been recognised by the Fischer Family Trust and we have received a certificate in recognition of this.

This term our attendance is quite considerably lower and we hope to see a considerable up turn in this next term. Please check the calendar for school holiday dates carefully and ensure holidays are not booked in term time. Thank you for your support in this matter.

PTFA Sponsored Extreme Reading

We were absolutely overwhelmed by the amazing ‘Extreme Reading’ children completed for the

sponsored reading event. We are thrilled to announce that we have been able to order over 170 new books to support the curriculum, for wider enrichment and to restock the library. Thank you to the PTFA and to all the families who supported this.

PTFA Update - Please remember to support the PTFA Easter Fair after school today, Friday 22nd March.

Are you interested in joining the PTFA and supporting the excellent work they do? If so, please pop into the office to leave your details and we will pass them on to the committee.

Sleaford Rugby Club

Please see details below from Sleaford Rugby Club about their Sunday morning training for all ages.

Road Safety

The Junior Road Safety Offices (JRSOs) ran another Collective Worship this week, focusing on safety when biking or scootering. They are soon going to be running another competition to design a cycle helmet after the Easter Holiday. Further details will follow soon.

This week’s road safety poster comes from Robert. Please find a copy of his winning poster below. Well done, Robert!

Best wishes,

Mrs Lucy Jackson, Headteacher

Naming items

Please ensure all items coming into school are clearly named. This helps us return items to the correct owner quickly if they get misplaced. As we move into the colder months, this will include hats, scarves and gloves 😊.

Many thanks for your help in this.

Safeguarding is the responsibility of everyone.

If you believe that a child may be a victim of neglect, abuse or cruelty call Children's safeguarding - 01522 782111 (Monday to Friday, 8am to 6pm). This is Lincolnshire Children's Services who will take the information and log any details you wish to share.

Achievements Out of School

A reminder that we are keen to share children's achievements outside of school and would like to give children the opportunity to celebrate these successes during our Friday Celebration Worship. If children achieve a milestone in their out of school activities (E.G. swimming, gymnastics, music lessons) please share with your child's class teacher. They can then bring any certificates/medals for the next Celebration Worship for their Key Stage.

MINIS AND JUNIORS

Week beginning 22nd April

Monday 22nd – Tuesday 23rd – Y4 to PGL

Thursday 25th – Open the Book Worship

Term dates can be found here –

[School term times – Lincolnshire County Council](#)

Parking

We ask all members of our school community to park with care and respect for our children and other road users.

Rule 243 of the Highway Code

This rule in the Highway Code makes it very clear that we **must not** park near a school entrance, anywhere that would prevent access for the Emergency Services or on a bend. Please take care and make sure you follow the Highway Code.

Park and Stride

The car parks at the playing field and social club are available for use for any parents to 'park and stride' each day. This may help with congestion and therefore help keep our children as safe as possible.

ROAD SAFETY

1# For road safety with the buttons on the traffic lights wear crossing advance you will not pay

2# Make sure you stop look and listen because you have just press the buttons and you have to check the green man and the red circle to be safe.

4# If you are passenger don't talk with any things on the line because if you get a red traffic light you be the driver and you might get some pay.

3# Don't run at the green man or when and if there is a bus, stand you can't stop or the people probably wouldn't know your there and run over you.

6# All be careful all day some of the point on and remember you be careful always!

5# Always have your contact on or in your bag so you might get in hospital for when you 7 days or more.
