

# Home Learning Activity - Maths

Today, you are going to keep practicing how to add by counting on.

Have a go at finding the answers to these number sentences. Try and count on from the first number, for example,  $6 + 3$  would be 6... 7, 8, 9. Cross off each picture as you count them to help you.

**Challenge 1:** Find the answer by counting on.

$$2 + \begin{array}{cccccccc} \text{sheep} & \text{sheep} \end{array} = \boxed{\phantom{00}}$$

$$5 + \begin{array}{ccccc} \text{flower} & \text{flower} & \text{flower} & \text{flower} & \text{flower} \\ \text{flower} & \text{flower} & \text{flower} & & \end{array} = \boxed{\phantom{00}}$$

$$7 + \begin{array}{ccccccc} \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} \\ \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \text{rabbit} & \end{array} = \boxed{\phantom{00}}$$

$$4 + \begin{array}{cccccc} \text{tulip} & \text{tulip} & \text{tulip} & \text{tulip} & \text{tulip} & \text{tulip} \\ \text{tulip} & \text{tulip} & \text{tulip} & \text{tulip} & \text{tulip} & \end{array} = \boxed{\phantom{00}}$$

**Challenge 2:** Can you add 2p to each of these toy's prices? Write the new price next to the toy.

**Challenge 3:** Play this Incy Wincy Spider Game (see attachment) to practice moving forward and back on a number line.

# Home Learning Activity - Literacy

This week, listen to the poem "Colour" by Christina Rossetti available on this link.

<https://www.bbc.co.uk/bitesize/topics/zvyc7nb/articles/zjyfnrd>

After you have listened to the poem, have a go at completing Miss Leggett's challenges. You can choose as many as you like to complete.

1. Go on a colour hunt in your house and in your garden. (Do you remember when we did this at school?) Can you make your own colour boards with all of the things you have found? Maybe you could take your own pictures of what you have found. Write describing words to show how that colour makes you feel.
2. Can you write your own colour poem? Start each sentence with "What is..." and write your own answer.
3. Do you remember the Makaton signing to "I can Sing a Rainbow"? Can you remember the actions and teach it to a grown up? If not, you can find it here: <https://www.youtube.com/watch?v=yLpEGM34Fic>

## Reading Challenge

- ⇒ Christina Rossetti has written lots of beautiful poems. Can you find them? Which one is your favourite? How do her poems make you feel?
- ⇒ Keeping with the theme of rainbows and colours, have a go at reading your rainbow sound cards this week. How many can you read in a minute? Try and beat your score each day!
- ⇒ Ask someone in your family to hide your word bugs around the house. Can you find all of them? Which word bugs were hidden? Can you read them?

# Home Learning Activity - Spelling

Try and read these words by yourself and have a go at writing them without having to peek at this sheet! Afterwards, as a tricky challenge, can you fill in the missing words to finish the sentences?

Look and say	Look, say and write	Cover and write	Check and write again
can			
me			
came			
my			
new			

\_\_\_\_\_ I stay here?

She \_\_\_\_\_ back from holiday.

Give me back \_\_\_\_\_ teddy.

Give it to \_\_\_\_\_ now!

I want \_\_\_\_\_ shoes!

Extra challenge:

Can you write your own sentences using:

1. can    2. me    3. my
