

Home Learning Activity - Maths

Today, your challenge is to look at repeating patterns. A repeating pattern can be simple (known as an AB pattern, for example, red, blue, red, blue) or a complex pattern (ABBA for example, red, blue, blue, red or even ABBCA ABBC for example red blue, blue green, red, blue, blue, green).

Can you copy and continue these repeating patterns? Maybe you could think of some of your own?

Can you complete Miss Leggett's challenge?

What can you make into a pattern? Find simple objects around the house or garden to make patterns. You could start simple (ABABA—knife, fork, knife, fork) and then challenge yourself to make more complex patterns (fork, fork, knife, fork, fork, knife).

Can you explain to a grown up what your pattern is? You could upload your photos to Tapestry to see if I can guess your pattern!

Play this online game can help you practice your patterns:

Home Learning Activity - Literacy

This week, read the story 'The Three Little Pigs'. If you don't have the story book to hand, you can watch it through this youtube clip:

https://www.youtube.com/watch?v=WR4L_t6IAfc&safe=true

After you have read the story, have a go at completing Miss Leggett's challenges. You can choose as many as you like to complete.

1. Draw a picture from the story and label the things you have drawn. You can use your phonics and tricky words to help you. Parents—please encourage children to check their spellings
2. Can you have a go at rewriting the story? You could write a different part of the story each day.
3. Can you think of 5 words that rhyme with "pig"?

Reading Challenge

- ⇒ Practice your Rainbow Sound Cards. How many can you read in a minute?
- ⇒ How many of your Tricky Word Bugs can you read?
- ⇒ Read your favourite story to a member of your family.

Home Learning Activity - Spelling

We will be focussing on spelling high frequency words. With each task I will send home a new set. Try and read these words by yourself and have a go at writing them without having to peek at this sheet! Afterwards, as a tricky challenge, can you fill in the missing words to finish the sentences?
