

Ancaster

Pen Portrait

Margaret Kirby

Co-opted Governor

I live in Ancaster and have been associated with the school since 2014 when I became a volunteer after retiring from the role of Teaching Assistant at a local school. My two grandchildren attend the school.

I became a co-opted governor in November 2015 and serve as Vice-Chair of Governors and Chair of the Standards & Curriculum Committee with governor responsibility for Maths and Food in Schools.

It is both a privilege and a pleasure to be able to contribute to the Ancaster School community.
