Parent Governor

I feel very honoured to be a Parent Governor and simply want to represent all parents when working as part of the Governing Body to make Ancaster the best it can be for all of our children.

My wife and I have three boys at the school, so I share a keen and vested interest in the school over the coming years!

Working in the military nearby, I joined the board of Governors as a Parent Governor in 2018 and have served on the Finance and Resources committee since. The children and staff within school continue to inspire me and I am proud to be part of the Ancaster school family.
