Simon Lunn

Co-opted Governor

I have been a governor since October 2014 firstly as a parent Governor and currently as a co-opted governor. I sit on the Finance and Resources committee, where I am also vice chairperson.

My motivation as a governor is to ensure that Ancaster Church of England Primary School provides the best possible education for every child in a safe and supportive environment.

I have 2 children. One is currently a pupil at the school, one has moved on to secondary school, but was a pupil at Ancaster from reception to year 6. The school has been a large and important part of our lives for several years and will continue to be for several more.

Professionally I am the IT service manager for a local farming and packing business. Over the last 30 years I have worked several roles within Accounts, IT and customer services.

I like to be busy, which is lucky as work and family ensure that this is always the case. When I do have the chance, I am an active runner, and also enjoy DIY.
