Susannah Millsom
Parent Governor*

I am Susannah Millsom and I am fortunate to be one of your parent governors.

My background is that I am a RAF veteran and a RAF wife; however I retrained in 2014 to become a primary school teacher. I work full time in a local school as a Key Stage 2 teacher and am a firm believer in supporting your child's education.

I am training to be a SENDCo and bring a knowledge of the curriculum, pupil premium and an interest in Special Educational Needs.
