

**Ancaster**  
Church of England Primary School

23<sup>rd</sup> March 2021

Dear Parents and Carers,

The second Parent Consultations for this academic year will take place during the weeks beginning Monday 26<sup>th</sup> April and Tuesday 4<sup>th</sup> May. These will again be telephone consultations as they were in the Autumn term.

You will receive your child's Pupil Profile Sheet on our return from the Easter break which explains important information about your child's education, including attendance, punctuality, behavior, effort, homework, uniform and readiness to learn. Your Parent Consultation date and time will be allocated to you and will also be on this sheet. We are hoping that you will make yourself available on this date and time for the conversation to take place.

If you are absolutely unavailable at the time and date stated on your child's Pupil Profile, when you receive it, please contact the school office to log your details for the Class Teacher to make alternative provision. You will then be contacted to make an appointment for a later date, but please be aware that we are trying to work in this way to minimise the teacher spending time away from the class where they are needed during the day to facilitate face to face teaching and catch up provision.

I hope you find this learning discussion useful as we focus on how your child is progressing in school and the provision in place for them. Please spend the time between now and your allocated Parent Consultation considering any questions that you may wish to ask the teaching staff as part of the telephone conversation. Please do advise the school office if you have changed your contact number.

Yours Sincerely

Mr S Eden  
Head Teacher
