

Ancaster
Church of England Primary School

Tuesday 7th June 2016

Dear Parents and Carers,

Before we broke up for the recent half term, I made you aware of an exciting sponsorship event that would be taking place in school on **Friday June 24th 2016**. To raise funds for our brand new library, we are launching 'Pedal Power', a chance for all children (and adults) to work together to see how many times we can collectively cycle to the British Library in London and back again.

Attached to this letter is the sponsor form for children to begin collecting sponsorship for this event. Every child will be taking part and all money raised will go towards helping our brand new library become a reality.

We are working alongside Dr. Bike to provide this brilliant event and he has offered to donate a very special prize; the child with the highest total sponsorship will win a brand new Frog Bike in their size worth up to £400. Please ensure that all sponsorship money is collected and is in school by no later than Friday 1st July 2016. The winner of the competition will be announced shortly after this date.

First thing in the morning on the 24th June, children cycling to school can take part in a Biker Breakfast (we'd like to break the school record for the number of cycles/scooters on site) and we are also launching an exciting competition called 'Crazy Crash Hats'. This is an opportunity for children to decorate their cycle helmets and parade them. We are asking that the helmets are decorated around the theme of books and there will be prizes for the best Crazy Crash Hats on the day.

Our 'Pedal Power' sponsor and the other events will take place on Friday 24th June during the morning and the afternoon promises to be just as exciting. We will be welcoming Stuntman Danny Butler to the school during the afternoon and he will be performing in an action packed show to the whole school. The PTFA will be firing up the BBQ and selling Ice Creams throughout the afternoon so it promises to be a fun-filled family event. We will also be presented with our Silver 'Bike It' Award which we are delighted to be able to receive from Sustrans following another fantastic year of cycling and scooting. The whole day will be a festival of cycling and we will be inviting parents to the **afternoon session** to join in the stunt show fun. Once timings for the show have been confirmed, more detailed information will be sent to you.

For now, I hope you enjoy collecting sponsorship and helping the school create a wonderful learning environment in our fantastic new library.

Yours sincerely,

Mr Sam Eden
