

**Ancaster**  
Church of England Primary School

Wednesday 4<sup>th</sup> November 2015

Dear Parents and Carers,

Prior to half term, I made you aware via the school's newsletter that a Section 48 inspection took place on Wednesday 21<sup>st</sup> October 2015. This inspection was conducted by the Diocese of Lincoln with approved inspectors tasked with identifying the level in which the school is performing as a Church of England Primary School.

The inspection was a full day which involved a review of the school's performance, including time spent analysing school documentation, key stakeholders of the school talking to the inspector about key elements of school life and time for her to see the school for herself.

As with OFSTED, there are 4 judgments that can be made following this inspection and in the previous inspection 5 years ago, the school achieved a GOOD grade. I am absolutely thrilled to be able to now make you aware that following this inspection, we have been graded as OUTSTANDING. We are delighted with this outcome and the report highlights many areas in which we have invested time and effort to develop this key area of the school.

Ancaster Church of England Primary School is a school we should all be truly proud of and to receive this external validation further demonstrates our school strapline of 'be the best you can be'. I hope you enjoy reading the report and want to take this time to thank you for your ongoing support.

Yours sincerely,

Mr Sam Eden  
Head Teacher
